Physical Education

Jared Malo

Mr. Malo's program utilizes lessons, videos, and assessment from SPARK (Sports, Play, and Active Recreation for Kids) curriculum. This specialized curriculum has evolved from a National Institutes of Health Study. The program uses many different skill themes and movement concepts to provide your child with a degree of competence leading to confidence that encourages them to try and enjoy a variety of activities/sports. Your child has PE twice a week and everyday for middle school electives.

Special Events

*Jump Rope for Heart (mid-February)

*Field Day (end of the year)

For more information please visit my website [HERE](#) Or contact me at Jmalo@stcharlesb.org

Music - Mr. Lewis

Our programme utilizes QuaverEd music curriculum - a comprehensive set of resources built on a foundation of standard-based lessons full of interactive elements and lesson plans. Lessons are packed with singing, moving and playing instruments to address the musical concepts, vocabulary and skills outlined by state and national standards at every grade. Students have music twice a week and everyday for middle school electives.

Special Events

Kindergarten Saints Program

Christmas Pageant

Choir Spring Concert

Annual Musical

Veterans Day Assembly

All School Masses

Conferences Fall
