

SCB Newsletter March 10, 2025

"...nor height, nor depth, nor any other creature will be able to separate us from the love of God in Christ Jesus our Lord" – Romans 8:39

SCB Families,

Hope that this letter finds you all happy and healthy this first full week of Lent. Health seems to be a tough one these days certainly; cases of the flu, respiratory illnesses, and other seasonal coughs and colds are still circulating around the school building. Take care and caution if you are sick - these bugs seem to be long lasting!

As we move into spring, we are finalizing the rest of the year activities. One of our biggest of the year is Grandparent's Day at the end of April. We have been discussing the logistics of the day for a while now, trying to figure out how to do it and still accommodate our drop off procedures and traffic. Our biggest challenge is that we do not anticipate that we will be getting any additional parking spaces back this year until summer time.

So, in that light, after careful consideration of the logistics surrounding the event, we have decided to cancel the half-day school day on April 30th, and instead hold mass and a subsequent open house in the school, with treats, the book fair, and other fun. Please note that the preschool through eighth grade classes will be cancelled, the toddler class will remain on as planned.

We are looking forward to hosting grandparents and family that day as per usual, we just will not be having a school day as regularly scheduled. You can come to the church with your family members directly, and the full parking lot will be open to be able to park and enter as you need.

We understand that this adjustment may cause some inconvenience, and we truly appreciate your understanding and flexibility. I am hoping that having a while to plan for this unscheduled day off is helpful, and please know that in 2025-26 this special school day will be back on as planned per

usual school calendars.

I appreciate everyone's flexibility so much, especially as we have worked through our construction project. You have my word we are working hard to mitigate any further inconvenience for you all.

St. Charles Borromeo, pray for us.

Beth O'Reilly
Principal, SCB
