

SCB Newsletter - May 20, 2024

"The greatness of a community is most accurately measured by the compassionate actions of its members." - Coretta Scott King

SCB Families,

This weekend, SCB families, teachers, alumni and supporters gathered together to raise the paddle for our school. The incredible generosity of the evening was a moving testament to the power of our community, and how much we believe in the future of St. Charles.

Our auction chair Lauren Boulanger, and our Advancement team led by Jeanette Johnson did a monumental job in transforming our school into a beautiful venue where magic was made. Along with their leadership, the chairs of committees and dozens of volunteers made our evening a reality.

Our preliminary numbers show a record net profit (after expenses) of over \$525,000 and counting (income still coming in!). Our Fund-an-Item goal was exceeded, which will allow us to build our new early education playground as well as finish outfitting our middle school and 6 of 8 classrooms in our intermediate grades with new desk furnishings.

I am humbled at the generous outpouring of our community to support making such significant improvements to our campus, and the investment into our school, students, teachers, and programs.

To say thank you doesn't seem enough. Know that I am speaking for all of us at SCB in saying that we are blessed and grateful by the many gifts of this community.

Thank you so very much.

St. Charles Borromeo, Pray for us.

Beth O'Reilly
Principal, SCB
