

SCB Newsletter - May 28, 2024

"In the Spring, I have counted 136 different kinds of weather inside of 24 hours." – Mark Twain.

SCB Families,

I hope you had a lovely restful weekend; the kids are definitely ready for summer!

Today, we had rain, clouds, and sun all in the span of 2 hours. Nice weather on the playground is a roll of the dice right now, and we all have prayers up that our graduation and field day coming up have true summer days!

As we move into the final weeks before summer, please be on the lookout for summer school and camp information, report cards and MAP scores which will be sent home on the last day of school, and other pertinent information to get us ready for summer break and then again fall.

Let us know in the office if you need a thing as you prepare to break for the summer. We're here to help in any way we can.

St. Charles Borromeo, Pray for us.

Beth O'Reilly
Principal, SCB
