

Welcome back to another fun-filled and fast-paced school year. Here at St. Charles, we emphasize healthy habits, and milk is an essential part of a balanced diet, supplying needed calcium and vitamins for young growing bodies. We encourage parents to buy a milk ticket for each student and remind their children to pick up their milk daily.

If you are new to St. Charles, here is how our milk program works: Children who buy a \$45.00 milk ticket for the year will be issued a laminated ticket to use daily at lunch. These tickets are laid out on a table in the lunchroom daily. Your child will pick up their ticket, take it to the milk table, and trade it for a carton. All milk must be counted and recorded daily, so please remind your child to use their ticket if they want milk. For questions, please contact the school office at 253-564-5185.

Milk Ticket for the 2025 - 2026 School Year

Please fill out and return this form by September 6th. The cost is \$45.00 per student and billed to your FACTS account - our online billing system.

NO CASH OR CHECKS WILL BE ACCEPTED
