

# Happy Summer!

SCB Summer Newsletter - Volume 1

Dear SCB Families,

As the school year fades into summer, the pace on campus begins to slow. While the hallways may be quieter and classrooms a little emptier, there is still plenty happening in summer camp as well as behind the scenes, as we prepare for another wonderful year at St. Charles.

Throughout the summer, our team will be busy planning, organizing, and making improvements to ensure we are ready to welcome students back in the fall. From curriculum planning and professional development to campus projects and enrollment preparations, we are already looking ahead to the 2026-27 school year.

One area we are currently reviewing is our school uniforms. Please don't worry—if any changes are made, they would not take effect until the 2027-28 school year at the earliest. One of the reasons for this review is that our current plaid has become increasingly difficult to source, as it is a unique, custom pattern with limited availability.

As we explore options, we will keep families informed every step of the way. Rest assured that if changes are made, there will be plenty of advance notice and ample time for families to prepare. Our goal is to make any transition as smooth and affordable as possible while maintaining the traditions and spirit of St. Charles.

We hope your family enjoys a restful, joyful summer, and we look forward to sharing updates as we continue preparing for another great year together.

Enjoy the sun!

St. Charles Borromeo, Pray for us.

Principal, SCB
