

Happy Summer!

SCB Summer Newsletter - Volume 2

Dear SCB Families,

Summer is one of our favorite seasons for dreaming, planning, and making improvements that will benefit our students for years to come. While classes are on break, our campus becomes a hub of projects and planning as we invest in our facilities and prepare for an exciting new school year.

We are excited to share that our gym improvement project has reached a major milestone—we received permitting for the installation today! This has been a long-awaited step, and we are thrilled to begin moving the project forward to completion. Installation will continue into the fall as we work toward completion, and we can't wait for our students, families, and community to enjoy the upgraded space.

We are also beginning the next phase of planning for Feist Hall. Our team is thoughtfully envisioning how best to invest within our budget to improve the infrastructure, furnishings, and overall performing arts experience. We are excited about the possibilities and look forward to sharing more as these plans take shape.

None of these improvements would be possible without the incredible generosity of our school community. Your support of our Annual Auction continues to make a lasting impact on our campus and the experiences we are able to provide for our students. Thank you for believing in our mission and investing in the future of St. Charles. We are grateful for each and every one of you!

Enjoy the rest of your summer—we look forward to welcoming everyone back to campus soon!

St. Charles Borromeo, Pray for us.

Beth O'Reilly
Principal, SCB
