

Middle School

Back to School Night

Fall 2026

ST. CHARLES
BORROMEO
CATHOLIC SCHOOL

Teachers

Cliff Schlattmann	7th and 8th grade ELA	cschlattmann@stcharlesb.org
Steve George	7th and 8th grade Science	sgeorge@stcharlesb.org
Mary Beth Hynes	6th-8th grade Religion	mhynes@stcharlesb.org
Ryan Gardner	7th and 8th grade Math	rgardner@stcharlesb.org
Bob Miller	6th/7th Religion, 7th/8th History	rmiller@stcharlesb.org
Vincent Smith	6th-8th grade History	vsmith@stcharlesb.org
Vanessa Faulkner	6th/7th grade ELA, 6th Science	vfaulkner@stcharlesb.org
Nancy Sharkey	6th-8th grade Spanish	nsharkey@stcharlesb.org
Christa Ishida	6th grade Math and Science	cishida@stcharlesb.org

What makes middle school special?

- Students are moving from class to class and see multiple teachers
- Lockers!
- Lots of independence
- Increased workload
- Student Chromebooks

Retreats and Special Activities

- 8th Grade retreat at Camp Gallagher (Fall and Spring)
- 7th Grade Camp Hamilton
 - April 2027
- 6th Grade Camp Seymour
 - May 5-7
- Living Stations of the Cross
- 7th Grade Science Beach Trip
- Geography Bee
- Service Projects
- Graduation Portfolio
- Student Olympics

Middle School Day

8:30	1st Period
9:20	2nd Period
10:10	3rd Period
11:00	4th Period
11:50	5th Period
12:40	Lunch
1:20	6th Period
2:10	7th Period Elective

Classroom Etiquette and Expectations

Students will be:

- Cooperative in building a kind, caring, and respectful Christian environment
- Responsible for timely and complete work production
- Independent while advocating for additional support when needed
- Accountable for behavioral choices

Parent Involvement

You can offer support for your student by:

- Providing them a quiet place to complete homework
- Looking with them in their Google Classrooms, binders & homework books
- Reading the weekly bulletin
- Checking Renweb
- Encouraging them to be the first line of communication and self-advocacy

Communication

- Weekly newsletter with weekly class info
- Please email your child's homeroom teacher for general inquiries (attendance, policies, etc.)
 - Please note: only the homeroom teacher will respond to general inquiries and issues
- Please email subject-specific questions to the teacher of that subject
- Attendance can be sent via online form or to attendance@stcharlesb.org

Classroom Tech

- Chromebooks
 - Need to come charged. Considered part of being prepared for class.
 - Chromebook carts
- Online Tools
 - Google Classroom
 - Renweb (student access)
 - Securly
 - Prodigy
 - Nearpod
 - Savvas Online (Science)

Homework

- Homework policy
 - Late work 50% off earned grade
 - Late work not submitted within a week of its due date will not be accepted and will be entered as a 0
- Homework load will vary from night to night. Long nights of homework will happen, and students are encouraged to utilize class time when given to reduce at-home load, especially if doing extra curricular activities

Absent Work Policy

- Absent Work
 - Students have the number of days they were absent to make up work missed.
 - If work is not submitted within that time, it will be considered late and graded accordingly
 - It is the student's responsibility to ask for work missed and to submit absent work in a timely manner

Planned Absences

Because the classroom is a fluid place where pace is affected by student understanding, changes in schedules, etc., **we do not give work ahead of time** for planned absences.

Students should take books with them and check Google Classroom or check with their friends to keep up while gone. They may also collect their assignments upon their return.

Testing

- MAP Testing
 - Done 3 times per school year
 - Results sent home to families
- ACRE test (8th grade)

Conferences

- Conferences take place with homeroom teachers with input from student's other teachers

Oct. 22-23, 2026

A Sign-Up Genius will be sent out for appointments.

The image features a solid dark blue background. On the left and right sides, there are two large, white, semi-circular shapes that appear to be the right and left halves of circles, respectively. In the center, the text "Class Information" is written in a white, bold, serif font.

Class Information

Mr. Schlattmann

7th ELA 8th ELA 8th Honors ELA

Rigorous, Grade-Appropriate Instruction: Students build strong skills in **reading comprehension, literary analysis, writing, grammar, and vocabulary**, with increased depth, pacing, and independence in 8th Grade Honors.

Reading with Purpose: Novels, short texts, and CommonLit 360 are used to move students **beyond basic comprehension toward analyzing character, theme, conflict, author's craft, and historical or cultural context**.

Writing as a Process: Students regularly plan, draft, revise, and edit across multiple genres, with an emphasis on clear **organization**, strong **evidence**, thoughtful **analysis**, and increasingly rigorous writing.

Growth Through Challenge and Support: I maintain high expectations while providing clear instruction, modeling, feedback, and opportunities for revision so that students develop **confidence, independence, diligence, and academic grit**.

Mrs. Hynes/Mr. Miller

Our mission is to teach right knowledge of the faith while fostering grateful discipleship.

Textbook:

Connections! We study a 3 year curriculum from St. Mary's Press.

The program is organized within the 4 Pillars of the Faith:

Creed, Sacraments & Liturgy, Morality, and Prayer

8th- + Church History

7th- + Missionary

Discipleship Institute

service-based program

Lectionary Bible Study:

*weekly assignment

*scripture readings of the upcoming Sunday's Mass

*read, discussed and completed in class

Service Project:

10(7&8)/5(6) hours per trimester. We encourage holy acts of kindness on campus, for the Church and within our greater community as deemed appropriate by parents.

Grading:

6&7 / 8

Work

45% / 50*

Assessments

45% / 40

Service

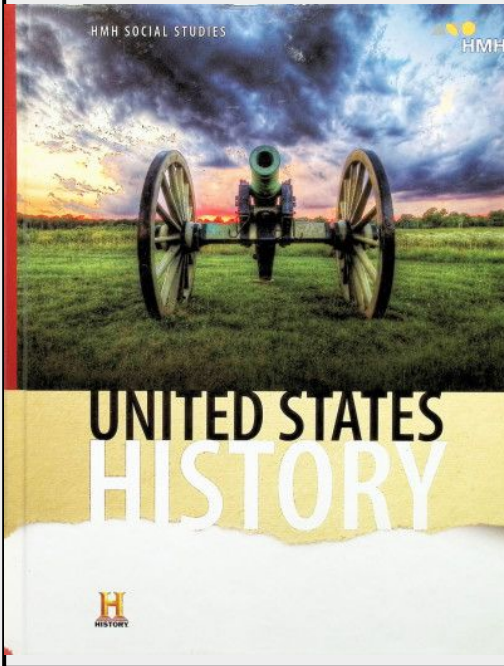

10% / 10

***Graduation Portfolio:**

8th graders create a portfolio project throughout the year based on the Student Learner Expectations

Mr. Miller (8th Grade History)

Textbook:

- Provides an in-depth look at the history of the United States from the beginning of European exploration of the Western Hemisphere up through contemporary times.
- Students will be challenged to think critically about the people and events that have shaped the American story.

- Testing:
 - Multiple Choice
 - Essay
- Writing/Projects:
 - In class essays
 - DBQ
 - Various Projects

Grading:

- Tests/Quizzes/Essays 40%
- Projects/Presentations 10%
- Homework 35%
- Map Quizzes 15%

Mr. George

- 7th/8th grade Science: Savvas

7th grade Physical Science

Brain
Metric system
Matter
Motion and Force
Energy
Thermal Energy
Atoms/Periodic table
Chemical bonding
Chemical reactions
Electricity/Magnetism
Puget Sound unit

8th Grade Life Science

Brain
Characteristics of life
Ecology
Cell
Cell division
Genetics
Evolution
Viruses/bacteria
Protist/Fungi
Plants

- Please look for the study guide/syllabus given at the beginning of each topic. This shows the due dates of assignments and what to know for each topic. This can be found in your child's binder or Google Classroom

Homework/Binder	25%
Classwork	25%
Tests/Quizzes	50%

Señora Sharkey

¡Bienvenidos! Our 3 year Spanish sequence is designed to teach language and communication using all 4 language skills: reading, writing, listening, and speaking. In addition, we will explore the geography, history and cultures of the Spanish speaking world. Students who successfully complete these courses will take a placement exam in order to be placed into Spanish 2 at Bellarmine or other high schools.

Grade Categories

- Homework/classwork 30%
- Vocab quizzes 30%
- Speaking evaluations 10%
- Exams 30%
